### **Context and/or Aims**

Good quality Careers Education, Information, Advice and Guidance will raise aspirations, increase motivation and contribute to raising student achievement. It will equip students for the opportunities, responsibilities and experiences of adult life and help individuals to make well informed realistic choices.

### **Policy Statement**

Loughborough College is committed to providing a quality Careers Education, Information, Advice and Guidance programme, which enables students to see the relevance of their study in relationship to their longer-term goals. This is delivered in partnership with Connexions LeicesterShire and through the Progress Tutor system. It will provide students with the knowledge, skills and attitudes needed to enable them to make well-informed and realistic decisions about their futures.

### **Requirements for Implementation**

All Learners at Loughborough College will have access to:

- Comprehensive, accurate, relevant and up to date information regarding Career opportunities
- Impartial careers guidance, appropriate to individual need
- A planned programme of Career Education and Guidance for all learners on full time courses as part of Progress Tutoring
- Careers Education and Guidance access available to learners on part-time courses
- Programmes will have clear learning outcomes, linked to Every One (Child) Matters, which support the learner's personal career development.

All Learners at Loughborough College will receive help in:

- Expressing their views, ideas and feelings about themselves and their future
- Learning about their skills, strengths and interests
- Making decisions about their future
- Planning and making their next career move
