The 16 to 19 Small Group Tuition Fund

The 16 to 19 tuition fund is for the 2020 to 2021 academic year only. It is ring-fenced funding for schools, colleges and all other 16 to 19 providers to support small group tuition for 16 to 19 students in English, maths, and other courses where learning has been disrupted.

Loughborough College will be using this funding to offer the following support to students. In all cases group size will be a maximum of five.

1. Providing extra sessions for students, where assessment has been deferred because of lockdown, to enable them to achieve their qualification
2. Providing extra revision sessions for students taking GCSE English and/or maths
3. Providing extra revision sessions for students taking Functional Skills exams
4. Providing students who have not achieved a grade 4 or above in English or maths, at least one hour per week of extra small group tuition, with signposting to further support where a need is identified
5. Providing students with special educational needs and disabilities (SEND) and students with an education, health and care plan (EHCP) with extra one to one or small group support where a need is identified
