## Residential Accommodation at Loughborough College

Loughborough College has a long tradition of helping students who need to live away from home. Our Accommodation Service Team has, over many years helped thousands of students from all over the world to find the kind of accommodation that suits them best.

## Halls of Residence

---

Our halls are situated the College campus and are within 5 minutes walk of the main College buildings. Loughborough town centre is on a regular bus route.

Our halls are all self-catering; all have facilities where you can prepare your own meals. Alternatively you can eat in the college cafeteria Monday to Friday and cater for yourself in the hall at weekends. Kitchens in halls are adequately equipped with cookers, microwaves, fridge/freezers, electric kettles and storage cupboards. Students are expected to provide their own cooking utensils, crockery and cutlery.

We are able to offer 170 bedrooms in our purpose built halls complex. These halls provide all single rooms. Some in six person units with shared shower, toilet and kitchen facilities, others in five bedroom units with ensuite bathrooms and shared kitchen facilities. There are rooms and facilities for disabled students, subject to assessment. All study bedrooms have a network point.

Additionally there is a large converted Victorian house at the Gables site. This building is the Elite Athlete Performance Centre which accommodates 17 under 18 year old Elite Athletes in single ensuite rooms with shared kitchen, common room and treatment room.

All furniture in the halls is provided. Students are expected to provide their own bedding and towels. The College Accommodation Service can provide you with a bedding pack should you require one.

The communal areas in halls are cleaned daily during the week. The Accommodation Service Team looks after the welfare of students in halls and homestay and although they do not live in the halls, a 24 hour cover is provided either by our Wardens or another member of the team, should any problems arise.

The allocation of places and subsequent issue of accommodation contracts are arranged only by the Accommodation Service Team, located in the main college building.
