ONSITE Loughborough College Campus

OFFSITE Employer place of work

All of the listed Engineering standards are being reviewed within our Engineering focus groups. This consultation is designed to ensure that we are meeting the needs of the Engineering industry. Once the consultation period ends, our Engineering offer will be finalised and confirmed. The apprenticeship offer is subject to change.

* Includes End Point Assessment

** If an Engineering HNC has not been achieved prior to enrolment onto this apprenticeship standard the overall duration will be longer.
