

**Electronic Resources: Discover your Library**

Discovery is a powerful search engine which allows users to search the Library catalogue and subscribed online journals from one place.

This includes journal articles from EBSCO (includes Sport Discus), Emerald Business and Management, Encyclopaedia Britannica and Gale newspapers and journals.

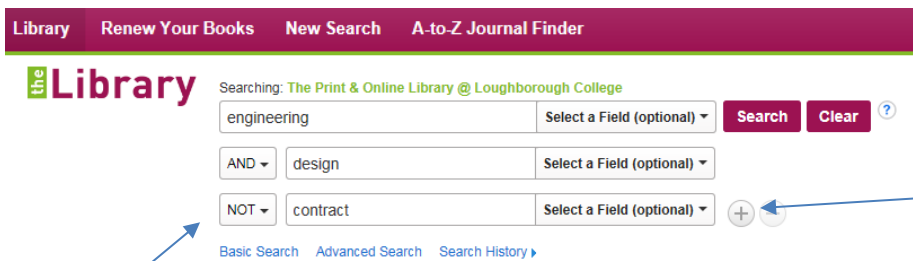

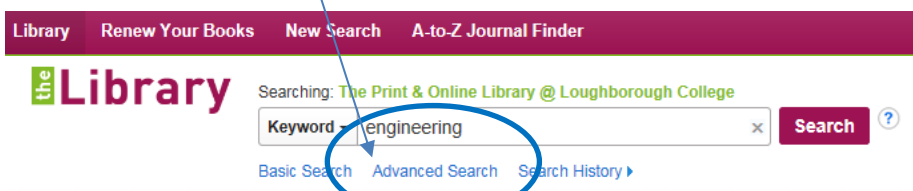

**Searching**

You will find the search box on the top right hand side of the Library website with the title Discover your Library

To begin you simply need to enter the word you wish to search for and click the Search box.

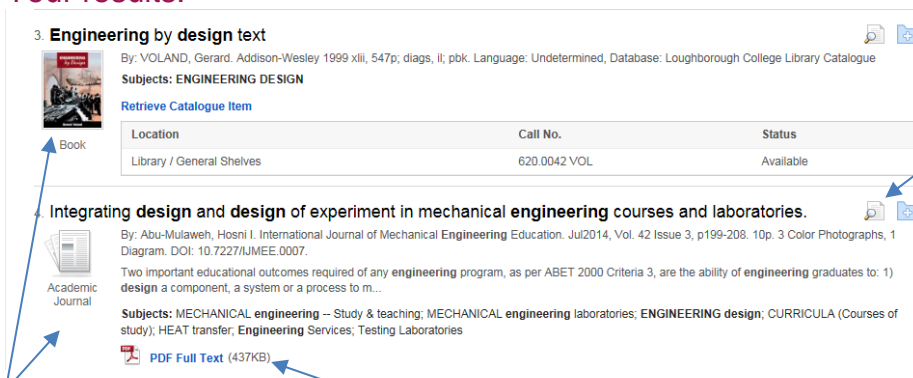

Click on **Advanced Search** to allow you to add more keywords to refine your search results.

You can add as many search boxes as you need by clicking on the + sign

Use AND, OR and NOT with your extra keywords to help narrow your search

**Your results:-**

Click on  symbol to read abstract/further information on the resource

This tells you the type of resource it is

The blue text is the link that will take you to that resource

On the left hand side of the screen there are a variety of options to help you with your search results. Use the **Show More** button for the full range of options.

On the right hand side of the screen you will find a variety of further online resources that will help you with your studies including:-

**Limit To**

Available Via Our Library
