PROGRAMME DESCRIPTION

The objective of this qualification is to support a warehousing and storage role in the workplace. This is a combined knowledge and competence qualification which is aimed at individuals who would like to develop the skills and knowledge necessary to supervise within the warehousing environment. In particular, this level 3 qualification would be most appropriate for senior warehouse persons or team leaders.

The programme will give the learner a comprehensive understanding of the entire supply chain, are responsible for their impact on each function and strive to deliver the best value for their business and customer. Due to the high number of interactions both within and outside of the business, they need strong relationship building, influencing, stakeholder management and communication skills alongside sound analytical, information technology and numeracy skills, with an ability to work in a fast paced environment with frequently changing requirements.

PROGRAMME CONTENT

This course includes the following core mandatory content:

1. Contribute to the provision of customer service in logistics operations
2. Provide leadership for your team in logistics operations
3. Supervise the receipt, storage or dispatch of goods
4. Take responsibility for health, safety and security in your team

Optional content will be selected by learners from a wide range of additional units.

DELIVERY AND ASSESSMENT

The qualification will be delivered as a blended model and will include knowledge delivery via Microsoft Teams, independent study, 1-1 meetings with your tutor and observations within the workplace.

This qualification is assessed by portfolio of evidence with learners achieving either pass or fail. Successful learners will have to demonstrate knowledge, understanding and skills across the breadth of the qualification syllabus. The portfolio of evidence will be internally quality assured by Loughborough College.

ENTRY REQUIREMENTS

This qualification is suitable for learners aged 16+. You must have a minimum of Level 2 in English and work within a warehouse and storage role.

PROGRESSION

The Level Diploma in Warehouse and Storage is equivalent to two A-Levels.
